

AMBASSADE DE FRANCE EN INDE
FRENCH EMBASSY IN INDIA

LEARN FRENCH IN FRANCE !

15th to 19th November 2010

15 French schools and universities visit India to promote French language courses in France.

France ranks 3rd position in the world to welcome foreign students

Today, France welcome around 260 000 foreign students out of which the Indian students comprises alone of 1745 students. Most of these Indian Students opting for higher studies in France have a good level of French Language (Level B1 or B2).

“**Learn French in France !**” will take place from 15th to 19th November 2010 in three cities in India. Delhi, Chennai and Bombay. It is organized by the Embassy of France in India and Campus France India.

15 French Language learning centers from various parts of France like Aix-en-Provence, Annecy, Besançon, Caen, Chambéry, Clermont-Ferrand, Lyon, Montpellier, Nantes, Paris, Perpignan, Rennes, Rouen, Sèvres are slated to arrive in India. These prestigious schools will be touring in India with a threefold objective:

1. To meet the Indian students who are keen to improve their French Language by studying French in France, the Heads of the French Department, French professors along with the directors and principals of various higher secondary schools, Colleges and Universities
2. To present the programs that the French Language learning centers offer like Language study trips for Secondary and High School classes and University groups, International Summer programs like French for business, French for tourism, French for IT, Training courses for Foreign French Teachers, Specialised French Courses for specific objectives, Specific language and culture programs for General French Courses throughout the year, Preparation for exams including: DELF-DALF, CCIP examinations etc...
3. To discover the possible ways of setting up exchanges and collaborating with French language departments in Indian Institutes.
